Call to Order

Jordan Stewart called the meeting to order and led us in the OA obligation with Taylor Blanc recording minutes.

Old Business

There was no old business to be brought up.

New Business

The Winter Banquet will be held at the LDS church in Burbank, WA. There will be a spaghetti dinner at the banquet. We still need to find a way to serve the meal. There will be different places to have classes and the dinner itself. Mr. Buchmiller had asked to have a unit elections class, and there will be a regalia building class during the afternoon. LEC elections will be held at 5:00. We still need an agenda for the entire Fellowship.

Brad Goranson has stepped up to be the new Webmaster. He still needs to know how to log into the website.

Michael and Travis have yet to choose an Arrowman of the Year.

Mr. Tesky has received roach kits, moccasins, and chokers for the trading post.

Mark Griffin applied for a grant of \$5,000.00 from the OA for being quality lodge. This money may be used for the A frames at the camp.
